Target audience	Rectors collegium of University of Montenegro
Short description of the event	<ul style="list-style-type: none"> On 06.12.2013. Aleksandra Radulovic held presentation about DL@WEB project and reports published by WP3 to the Rectors collegium of University of Montenegro in order to be used and included in the official institutional legislatives. Ms. Radulovic presented recommendations of the project and documents that were created in the project. Rectors collegium of University of Montenegro noted that prepared reports provide the basis for the DL to be regulated on University of Montenegro in accordance with the recommendations and practices of the DL in the EHEA. Rectors Collegium gave task to QA center and the Center of information system, as participants in the project, to take further action and to prepare regulations for the DL for University of Montenegro and inform the management of UoM about it. They stressed that special attention should be given to the specific trainings of academic and non-academic staff who will participate in DL studies.
